Life's work well done

An illustrated history of

St Aubyn's School Woodford Green

This recently published history of the school was written by former pupil Nicholas Dixon. This is a well researched book and a great read, particularly for anyone who has some knowledge of the school. The book is being sold through the school office at a cost of £10 per copy, if you can call in, or £12.00 per copy for copies sent through the post. If you would be interested in obtaining a copy please call in to the school office, or alternatively send a cheque payable to the school and we will put one in the post.
